

Outreach Programs

Scientific Community

Virtual Journal of
Ultrafast Science

High School Education

Physics Olympiad
FOCUS on Optics Teaching

General Public

Saturday Morning Physics
Physics Palooza

Elementary and Middle School

Elementary Science Teaching
Girls in Science and Engineering

Higher Education

Student Research Opportunities
Outreach Partnership with
student groups

National Outreach Efforts

Partnerships with PFCs
and Professional Societies
Undergraduate Seminars

Frontiers in Optical Coherent and Ultrafast Science
The University of Michigan and the University of Texas at Austin
NSF Award 0114336

Physics Olympiads

Continues to grow after 5 years:

- 20 Teams
- 300 participants
- 66% of budget
- 50% of events
- 100% of Administration

Frontiers in Optical Coherent and Ultrafast Science
The University of Michigan and the University of Texas at Austin
NSF Award 0114336

Physics Palooza

A partnership with SPS and AAHOM:

- 1200 Participants
- 15 – 20 Students
- 15 Demonstrations
- Academic Leadership
- 100% of Funding

Frontiers in Optical Coherent and Ultrafast Science
The University of Michigan and the University of Texas at Austin
NSF Award 0114336
